DCT-407

4CH
Video+Data+Power Transmitter
CVBS 75Ω

DCT-107

1CH
Video+Data+Power Transmitter
CVBS 75Ω

Max. Distance

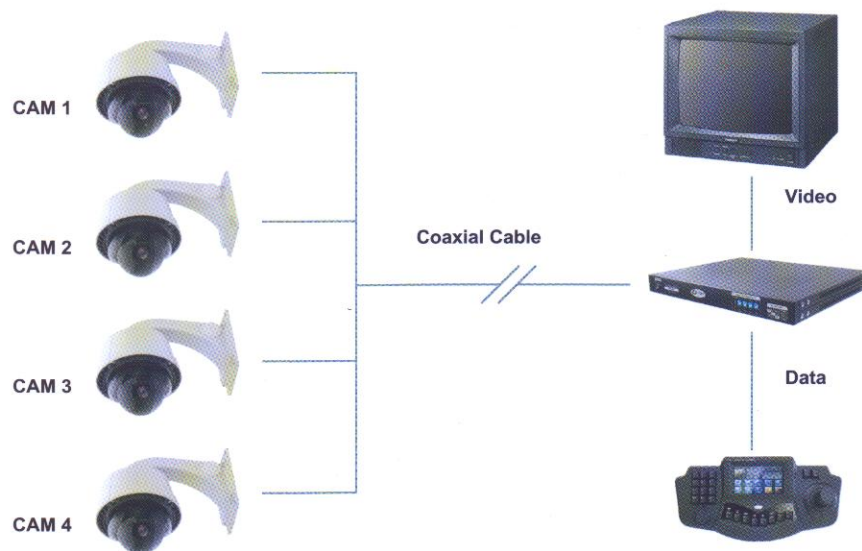

ECX-5C-HFBT:600m (video+data+power)

ECX-7C-HFBT:800m (video+data+power)

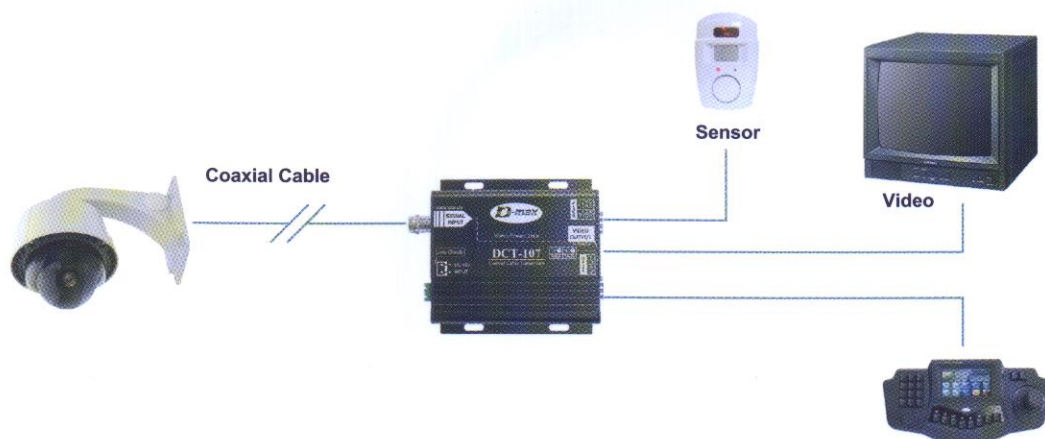

ECX-7C-HFBT:1.0Km (video+data)

One-Line Speed Dome Camera & TX

- Video+Power+Data transmission over a single coaxial cable.
- Maintain high quality video and excellent video interference immunity.
- Saving infrastructure cost & Installation improvement.
- Auto diagnosis for cable status and regulating power supply & Surge protection.

- **PTZ Installation?**
- **Put away Video, Power and Data cable!**
- **Get yourself single coaxial cable only!**

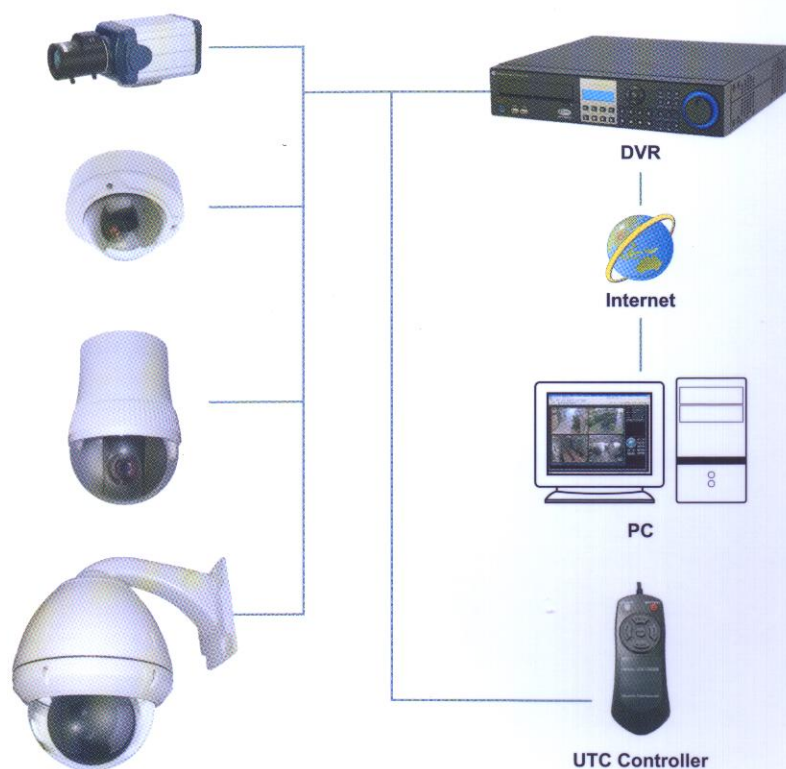

- **Noise Reduction !**
- **Transmit High Quality Video !**
- **Easier Maintenance & Stability performance with FM synchronizing modulate system.**

UTC Camera & DVR

- Video + Data transmission over a single coaxial cable.
- Saving infrastructure cost & Installation improvement.
- Can control commands through DVR, Web Browser and NVS.
- Do not need to go up with an extension ladder for changing setup menu.

►► UTC (Up To Coaxial) system makes simply remote control and supply easy operating !!!

**Please don't go up for setup
the menu of camera anymore!!!**
